

# HorsesLandWater

## Recognition Program

- Have you improved your horse property through undertaking four or more goals listed in the *HorsesLandWater Action Planner for Horse Properties*?
- Does one of the goals include a Property Management Plan?
- Would you like to share your story with other horse owners and managers?

**HorsesLandWater has a new recognition program for horse property managers who develop a property management plan using the goals outlined in the *HorsesLandWater Action Planner for Horse Properties*.**

### How to enter:

- 1 Submit an electronic version of your Property Management Plan along with before and after photos, tips surrounding your success and any benefits you have noted to the HorsesLandWater office (see address below).
- 2 Include the name of any Natural Resources Management Board, Catchment Management Authority, Landcare group or related agency or funding program that you may have received help from, so we can share the news.
- 3 HorsesLandWater program representatives will then evaluate the submissions and advise you of the outcome.
- 4 Successful applicants will receive a Certificate of Recognition and have their submission (in full or part) uploaded to [www.horseslandwater.com](http://www.horseslandwater.com)
